

# CAREERS WORKSHOP

## immersiveLink

USING IMMERSIVELINK WITH YOUR CLIENTS

This 1-day workshop will engage and motivate individuals to learn about what really motivates them using innovative tools they will enjoy. Build self-awareness and self-esteem with a workshop that creates laughter and excitement while celebrating individuals' gifts/strengths and how that relates to career, relationships, teams and achieving success. Participants then take a "virtual journey" to multiple worksites to gain an in depth understanding of job sites and occupational roles/tasks. Expanding their understanding of local opportunities as well as some they may not have known existed!

### LEARNING OBJECTIVES INCLUDE:

- Improve understanding of self to promote confidence and motivation
- Individuals will learn which animal type their personalities most closely align with and occupations they are well suited for
- Understand Industry Expectations
- Develop an Individualized Action Plan (Success Path)
- Understand what careers are available to them locally
- Introduce or familiarize with careers in the trades
