

Dakota Trudeau-Zacharie

LITTLE CURRENT, ONTARIO

My work experience profile showcases my strengths as a self-motivated individual who is task-oriented and has exceptional communication skills. I am able to work effectively in both an independent and team environment, handling stressful situations with ease while consistently meeting deadlines. Through various roles in cash handling, customer service, land-based staff, laborer and lumbering positions, as well as supervisory positions, I have gained a diverse skillset that includes proficiency with power tools, heavy equipment, and experience in multiple industries. These industries include healthcare, landscaping, and hospitality. So I'm eager to learn more.

Message from the trainer:

Dakota always arrived to class early and eager to start. Dakota steadily improved at all tasks throughout the program.
